## Pastor's Message

Happy March! Hopefully we see more green, both on the streets and on our lawns.

Fun fact: despite my last name, I'm very Irish on both sides of my family, so I always take this time of year as a chance to be proud of my ancestors who survived so much: famines, wars, coming to this country, occupation by the British.

In that vein: it's worth thinking about whose shoulders we're standing on.

Who shaped our lives and made us better people.

Who showed us what strength and love are.

And of course, Jesus is one of those people: he's the ultimate example, and one that persists 2000 years later as both savior and public figure.

This is especially important during March, when we also celebrate Women's History Month. That ties perfectly into this month, as we take account of the women figures who have made us better and more connected people.

So, this month, I propose that all of us start to think about the people who shape our lives. The people who have helped us, raised us, fed us, loved us, especially the mother figures in our lives.

Because on Ash Wednesday, when we affirm that we are Dust and to Dust we shall return, we do so knowing our accountability to the Earth and our communities.

The call to be that Mother Figure for our descendants, to give them the love and positive examples that they need.

Let's take March, and Lent as a whole, to do just that.

Amen, and amen.

Pastor Eric

P.S. We can discuss this at our weekly Lenten Book Study, starting soon!

## February 2025 Worship Report

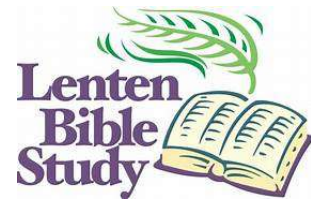

Snow boots were a wise accessory for travel to church, especially on two Sundays this month! But we left the decision to you; for those able to make it, we found those gatherings to be a special time of fellowship. No one wanted to miss Souperbowl Sunday on the 9th. 🏈 And the 'winter mix' on the 16th left a very messy parking lot that was starting to melt as we left after the service. Thank you, Jerome, for escorting people into church. Many helped each other to their vehicles afterwards. Due to lack of numbers, the choir did not sing either Sunday. Communion was served to 26 by intinction on February 2, with Valerie Warfield and myself assisting.

This month's messages were "Paying Attention," "Agape Love", "Bearing Fruit" and most recently, "Look at God!" Pastor Eric included references to MLK Jr, Black History Month, and Syracuse history regarding the 15th Ward. During "Look at God!", I pondered what things I might shut out of my life because of discomfort, and wondered how I can become a more faithful witness. Acknowledging His glory in everyday things is my exclamation of gratitude, giving God the glory for blessings I have received.

On February 16th Jerome O'Neill, Merle Oswald and Judi Parker were ordained as officers for their next term on the CUC board. (Ed Busco will be ordained and installed at the February board meeting.) We are grateful for your faithful service!

Thank you for caring for our community and the world by lifting prayers for each other, Pastor Eric, our mission in our community, and in the world. The prayers, card and love offering for Andrea Scerbo and her husband were gratefully received.

Respectfully submitted,  
~ Connie Oliver

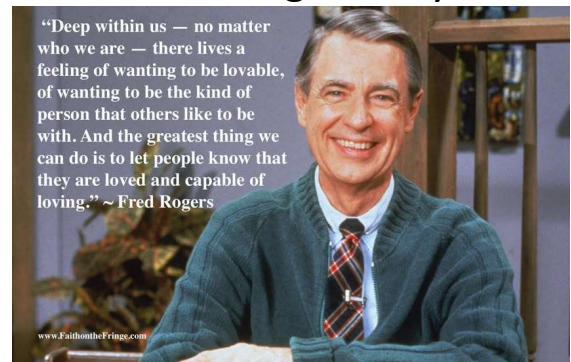

*Meeting Jesus at the Table: A Five Week Study*  
led by Rev. Adamcik  
Each Sunday: March 16 through April 13, 2025,  
From 12:00 noon – 1:00 p.m.

**The Gospels are full of stories of Jesus sharing meals with disciples, friends, even tax collectors and Pharisees.** Whether multiplying bread to feed a whole crowd, relaxing with his inner circle, or telling curious elites' stories about even greater banquets, Jesus imparts wisdom as he shares the wine and grants forgiveness as he distributes the fish. This eight-chapter resource provides biblical insights along with thought-provoking queries regarding our own time, such as whom should we invite to Sunday dinner and who is left out and left behind in our culture today.

We will be ordering the books which will be available during the first session. Please bring a Bible. Our first meeting will be at CUC and we will alternate on a weekly basis with First United. Lunch will be served.

## Mr. Rogers Day

Fred Rogers was an ordained minister of word and sacrament for the PC(USA) and is a notable public figure whose work around peace and reconciliation are worth remembering. Rogers was also a pioneer in the world of Christian education and formation of young children. March 20th was his birthday and the day that the PC(USA) has chosen to highlight all we can learn from his work.

At CUC, we will honor his work during the **March 23** service with song, word, and a bit of fun.

**Please wear a cardigan or sweater!** 😊

- Member Spotlight Continued -

We have been overdue with a member spotlight! So how about the spotlight on an entire family to make up for it?! The Brignalls.... Wayne and Karen along with daughter Susan, grandchildren Sarah and Wayne; Wayne's brother Keith and his wife Grace. We were saddened at the loss of Keith this past year. All of them are major contributors in so many ways!

Wayne Brignall. Here is a man that has been contributing to this church for many years in so many ways. He was involved in the planning and building of this church. With his background in plumbing, he serves expertly in maintaining this church. So many tasks he performs behind the scenes: he makes sure everything is ready for inspections, and we always pass them with flying colors! Turning on the stove when we need it sounds simple enough, but it is quite involved. He has always been a key player in our chicken and biscuit dinners and rummage sales. When any repair issues occur, he is available to remedy them along with other members of the building and grounds committee who work together as a well-oiled machine. He has served on the board and other committees over the years with the church's welfare always at the forefront.

Karen Brignall grew up in this church. She is our church historian. If you have a question about CUC, Karen will have the answer! Her contributions are great and numerous: Karen has served on the board in many capacities along with being on probably every committee this church has ever had! She was very involved in the planning and decorating of this church and what a wonderful job she and the decorating committee have continued to do over the years. We enjoy her voice every Sunday in the choir. She is one of the primary players in just about every event this church has had, and she keeps detailed records about these events, she has a wealth of information.

Daughter Susan has also grown up in this church, serving on many committees and the board. She has dazzled us with her artwork and crafts. She brought her children Wayne and Sarah up in this church. They attended Sunday school, were confirmed, and served as acolytes, and worked at our dinners with abundant energy. We have a beautiful garden that Wayne and his scout troop put together next to the

back entrance. It has been a joy to see them mature into young adults.

Keith Brignall, a man we will never forget! He kept us on our toes with his jokes and friendly nature. He also served on many committees and the board with a serious concern about our church's well-being. He was always involved in every event, and he lightened our workload with his humor.

Grace Brignall is a mighty force in the kitchen! With her background in food services, she knows what needs to be done! An expert in cleanliness, our kitchen is always spotless. She runs that kitchen, along with others, during our dinner preparations with perfect orchestration! Grace has also served on the board and is serving on several committees.

It has been our pleasure to witness this family steward our church. They are literally a cornerstone of our church. A perfect example of how faith in, and the love of God works. You can't think of CUC without the Brignalls. We thank God for you and may He continue to bless you all.

On Sunday, February 16<sup>th</sup> we held our chili cook-off event. The weather was not the best, but it was the perfect day to sample chili!

We had 17 hearty souls who braved the weather. We had 6 delicious and unique chilis to sample, two from First United and four from Collamer.

Diane Shaffer won with her chili for First United and Shawn and Jaden Ellis, who submitted their mother/grandmother's, (JoAnn Tongue), chili won for Collamer. They each received a "Chili cook-off" medal. The final competition was between the two winners, it was very close and First United won! The church received a framed certificate to proudly display.

Everyone had a great time, there was plenty of food and beverages. We enjoyed it so much that we would like to make this an annual event. Thanks to Dan Christen for suggesting this great idea!

## February Monthly Senior Luncheon at Bridgeport UMC

Bridgeport United Methodist Church hosted their monthly senior ("Young at Heart") luncheon Wednesday, February 12, from 11:15 - 1, with several in attendance. Pastor Eric, Merle Oswald, Pat Pease, Judi Parker, Ginnie Busco, Valerie Warfield, and Leslie DuMond attended from CUC.

Diane Taylor welcomed us and pointed out the silent auction taking place to raise funds for the church. Many gift baskets have been put together for this auction which will run through April 7.

Pastor Omar talked about mission work and led us in singing the hymn "Rescue the Perishing." He read Matthew 25:35-40 and said that our Christian duty is to share ourselves with the word and that we can always help someone else. He then gave a blessing over our meal.

We played a Valentine's Day candy matchup game and prizes were given out.

We enjoyed a hearty meal of lasagna, garden salad, fruit salad, and Italian bread. Valentine's cookies and strawberries dipped in chocolate were provided for dessert. Water and hot beverages were also available. The meal was fabulous as usual! A Love Offering canister was available for those able to help defray the cost of the meal.

After lunch, Pastor Omar showed slides and talked about the work done by the Caribbean Mission Partnership which works within the United Methodist Church. You can read more about this mission at [www.caribmp.com](http://www.caribmp.com).

The next senior luncheon is **Wednesday, March 12**. A representative of M & T Bank will discuss identity theft. We will be bringing items for donation to the Bridgeport Food Pantry. (See items posted on the bulletin board in the Narthex). Please let Leslie know if you will be attending. She will RSVP on behalf of CUC
